

# 808 Silicone

## OVERVIEW

CRC 808 Silicone is a multi-purpose silicone spray for general lubrication. It leaves a thin, clear, odourless film that lubricates, waterproofs and revives without damaging treated surfaces or leaving marks or stains. It provides ongoing protection over a wide range of temperatures and materials. It eliminates squeaking and binding caused by friction.

## FEATURES

- Excellent mould release, parting agent, and machine bed lubricant
- Clear & non-staining
- Multi-surface
- Odourless
- Harmless to most materials
- Resists moisture
- Reduces friction and wear
- Effective in wide range of temperature from -38°C to 290°C
